

## SEEKING

Worrying the surface like a sore  
like a wound  
well why not  
speak of the unknown  
with desperate  
humble authority  
of a seeker  
lacking definition  
devoid of form swallowed  
into the  
void  
voided  
voiding  
the resultant  
emptiness worn  
like a badge  
the courage of  
Worrying  
Surfaces  
Sores  
Wounds  
Unknown  
Authoritive  
Desperate.

Seeking.
